“ *I am so sorry you were alone. I am so sorry I wasn't the daughter I could have been. I am so sorry I didn't get to say goodbye. I am so sorry I wasn't there for you more. I'm so sorry I didn't tell you I loved you more. I love you mama. I am glad you are finally where you have peace.*

“ *I have never thought of you more than now. I will not get to hear your voice or see your face. I hate that you were alone and I am sorry I didn't see you more. I know your happy now, no more pain and sadness for you. Mother that is the only thing that is getting me through this. I love you and I know you loved me, I wish we said it more. I'm going to miss you mother.*

“ *Molly Ann was a straight-shooter with a fiesty attitude - there was no gray area with her. She's at rest now and all her worries have been replaced with eternal joy. I have lots of cheerful memories of her and I'm thankful for the years I knew her. She was truly one-of-a-kind.*

Adeana, Paula, thank you for sharing your mother with me. My prayers are with you & your family.
