“ *I have many fond memories of Aunt Louise when I was growing up. She would make the best orange sugar cookies for Cathy and me when I used to spend the night. She always had a smile on her face and gave warm hugs. I love her dearly and will miss her very much!*

“ Linda, I know your mother through you. She was such a kind and loving lady. I could always tell from the respect, your care, and the consideration you showed her that she was more than just your mom. She was your best friend. She was especially precious to you and I know that she knew that and enjoyed your special bond with her.
