“ *Tammy, I am so sorry to hear about your Father's death!! I didn't know about it until I saw it here. I always liked him, he made me laugh every time we saw each other. That is a wonderful gift. I hope you and your family are coping as well as possible. So many memories are being stirred up lately. God Bless you and your family!!*

“ I met Cecil about 30 years ago when he was instrumental in giving me a job just out of college. He took me under his wing and gave me a REAL education in the nuts and bolts of military contracting. We were active in the Masonic Lodge and worked together cooking at fundraising events. We shared a lot of things in common and remained good friends till the end.

I don't know of a better man than Cecil. He was honest, intelligent, caring and tough when he needed to be. He loved his family and always had a sense of humor even in the tough times of work and life. I will miss my friend but will never forget him.

My thoughts and prayers go out to his friends and family during this time.

Thank you Cecil for your friendship. I know you are in Gods hands.

“ Cecil was the sweetest man and loved movies. His favorite was Tom Selleck in Quigley Down Under. He loved horses and cattle and asked me many times if I knew what type of cattle were on the movies we were watching. I miss Cecil and pray he will Rest In Peace. Love ya, Cecil. Mary Barfield
