“ *I will miss our phone conversations, our trips to the boat and just knowing I can call you when I need someone to talk to. I know you are in a place where you are at peace but I wasn't ready to say goodbye. Our relationship started so late in my years; I wanted many more years.*

“ *Memaw, 2nd to God, you were my rock. You were there for me when no one else was. You took Matthew's very first picture, you came to the boys' games faithfully, no you weren't perfect but you were human & I love you so very much. I promise you I will do my best to survive. Tell my Mama that I love her & I miss her so very much. You two will live on & on forever in my heart.*

“ Dear Cousins: So sorry to learn about Ophelia. It is times like this that makes me regret my distance from East Texas. Rest assured that my thoughts are with you during this difficult period.
