“ I remember lots of good times when I lived on Myrtle Drive in Jacksonville. Pat lived close to us, we visited a lot. We saw her almost every weekend. As a kid we were very excited when we were told Aunt Pat and Uncle Wayne are coming over. Pat is just a few years older than me. We haven't seen each other much lately but when I did see her she was sweet and always told us she loved us. Facebook was a way we stayed in contact. I will really me talking with her.
