“ *Pat was such a talented lady. I loved her laughter/compassionate nature and spent many years learning how to cook some of my favorite meals that I still use today. She could sing, was one of the best artist I had ever seen, could cook, and loved all animals. Definitely an earth angel and now she flies high among heavenly angels. She will always hold a place in my heart ~ dearly missed 💕💕

“ *I worked with Pat at one of the nursing homes and we had lots of stories to tell. Pat’s laugh would fill the hallway, she loved to talk and laugh. Prayers going out for her family and close friends.*
