“ *With deepest sympathy to Neilicia and her entire family.*

Although I did not know Patricia personally, but through Neilicia I know that Patricia was a wonderful wife and mother, and how she touched so many people and how important she was in the community.

“ Charles Ray, Steve, and family -

My thoughts and prayers are with you all at this most difficult time. So many memories come rushing back to me as I think about growing up in Oakland and going to Oakland Missionary Baptist Church. Pat was always there. Always. I remember recently when I came home for a visit, Pat would say "Jana, if you don't come by and see me, I'm gonna whip your butt". Needless to say, I went and saw her. Pat I will always remember your smile and how you reached out to others to help them. I know you are with the Lord and will watch over us all.

To all your family - I love you all
