“ For those who knew Patsy, you know what a tremendous loss we are feeling right now. She was the most precious, kind, loving, sweetheart of a lady you could ever meet. I can't tell you how grateful I am to have had her as a mother in love. She genuinely loved, cared, prayed and worried about every one she knew. I saw her kindness effect so many...even up to the end. She worried about her nurses and aids and doctors (most of which lovingly called her momma). She loved her family with all of her heart and soul. She had lifelong friends that she also considered family. We will miss her loving nurturing ways, her quick whitted sense of humor, her precious smile and facial expressions and everything about her. She had such a genuine love and trust of God that was such a beautiful thing to witness. We are so thankful to know that we will see again someday. Until then she will be in our hearts and thoughts daily. We love you Momma.

Patsy is a great example of what we all should strive toward. No superlative is too grand to describe her. We were classmates of Rusk High School Class of 1960. See you later, Patsy Ruth. Love you. ❤️
