“ *Granny Ivy was a very caring person and her grandson Michael
Watson had many fond memories that he shared with me many
times. She was always kind to me and treated me as a member of
the family. Granny had a talent for taking small pieces of material
and making art out of them in form of a quilt. In a way the little
pieces of material were a way of showing her warmth of heart. You
will always be remembered.
I my heart go's out to all of you in the lose of Granny Ivy.
Love you always
