“ *My sons Mikael and Cordell Ballard loved going to her day care. Mikael would go help her dad after school and get a banana. When we moved to Wyoming she made sure Cordell had the blanket from her house so that he wouldn't forget her.*

“ *Gina was one of the most loving, kind and giving people that I have ever known. She loved and treated my daughter Jade like her own child. I was proud to share the role of "Mama" with her. There is such a loss in our lives now..... but we have a lifetime of great memories to carry in our hearts until we see her again. I will cherish those. Heaven has a special woman looking after the children now. Rest in Peace my dear friend you will be missed terribly. Forever in our Hearts. <3 Cindy*
