Growing up with Lennie I am blessed to say that thru all these years we have remained friends.I never got the opportunity to thank both Robbie and Lennie a couple years back for opening their home to my daughter and myself and allowed us a place to stay while my husband was out of town working.Words cannot begin to describe the feelings I am having and the sorrow and ache Lennie and the boys are feeling.We love you all so very much and are keeping you n our prayers.If you need anything,please feel free to contact us.

Prayers to Melinda and the boys and Rob's family and my condolences. Did not know Rob well, but know that he made Melinda and the boys happy and was good to them. Very sad that he was called Home so early. RIP Rob.

“ *Rob,
I will never forget the smile on your face even when things were not going as planned. Thank you for coming into my life, not as a co worker but a honest person and someone I would call a friend! You are now gone but never forgotten! Chrome side up! Rubber side down! Peace and hair grease! Until we ride again, see you on the other side! Love your friend Kevin!*
