“ *My Uncle Bob was a friend to all, never a stranger to be found.. I have many fond memories of Bob while growing up in Colorado. We drifted apart as our lives changed and distances separated us. Still there is the special place in my heart for the nearest thing to a brother I ever had.*

“ *What a blessing Bob was to us all. John & I met Reba & Bob on one of their many Oregon trips and instantly felt as though we had known them forever. His laid back (and hers) manner, so welcoming, with that big Texas drawl, he is one of a kind, an awesome man of God and I am sure John met him at the pearly gates and they are dancing together on streets of gold. Love to you all & Reba, a special hug for you. Love, Marlene Glasow*

In recent months and years, I had the pleasure of playing music for nursing home residents and visitors with Bob, and having known him for many years prior to that, I always found him to be a man of honor and great humanity. He will be dearly missed and long remembered by all who knew him.

He was a wonderful father. There was no better teacher of how one should live life to attain true happiness and peace in the service of others and Jesus Christ our Lord and Savior. I am blessed and honored to have had him as my dad. I will miss him emensly. But I know that he is at home with God in heaven. I love you daddy.
