She loved to go square dancing with Jim over the decades and was a member of many square dance clubs, most recently, the Rainbow Steppers. She made many of the square dance dresses that she and her daughter, Carolyn would wear and they would have a wonderful time. She and Jim loved motorcycling through the hill country and camping out. She was very happy spending the last three years of her life in the hills around Rusk. Jim was a tour bus driver and guide and Sandy loved accompanying his as a co-guide on some of his trips to Branson, MO. Sandy loved games and one of her favorite past times was playing Canasta with her family.

“ I didn't know Sandy well. Through the years of knowing Connie , I have visited with her. She was always warm and welcoming and considerate when we needed a pickup from the airport. I will miss her friendly well wishes. My condolences to the family, may the peace of god be with you.
