Sandra is my 1st cousin I met when visiting my grandparents in Rusk, Texas. I spent the night at their home in Houston and never was able to visit her again. She seemed a beautiful person and the experience I will never forget. Bless her and her family for the memories.

“ Karry, I don't think I've spontaneously cried the way I did when I saw your sweet, amazing mommy had left this earth. I can't tell you how much she and your family meant to me since I was five years old. I will never forget spending afternoons with you after school at Long Point when our moms worked together. She had the biggest, kindest heart of anyone I ever knew, and I just loved her to pieces. I can't imagine she's not here anymore. All the Wednesday nights hanging out while our parents were in church, back when Long Point was an active place to be. I think you're probably my oldest friend, and I can't tell you how much your family has meant to me. Please give my love to your dad and Kelly... the world is a dimmer place without her light, but she is free at last in the arms of her Heavenly Father. I love the Nentwig family, and anything you need, I'm here. Just remember: God is good - ALL the time!

“ E.J., I am sorry I did not get to know Sandra and your family until she was in hospice care. I have enjoyed the time we spent together, and getting to know your family. Sandra and I enjoyed watching game show and the Young and the Restless together. Plus we got to hear a lot of oldies from our past. You and Karrie have done so much with and for her this past year. My thoughts and prayers are with you and the family.

“ Remembering times with our children going to the same school in Houston (Long Point Baptist School). Going to church together, Sandra working in the school office and our spouses on the school board together. Many times going to your home and we would try to solve the schools problems. What fun and the memories are so precious. So sorry Sandra I have not seen you in several years but we will always carious those times. To EJ, Kelly and Karrie we send our heart felt condolences.

Linda and Dennis, I remember you well from Long Point. My mom was Geraldine Schultz and was the church secretary, and my dad Kenneth was on the school board as well. Such fond memories of those years. This is just terrible news about Sandra, and I know she will be tremendously missed. Courtney Schultz Johnson.

“ *Of all the people who could make me laugh, it was you sweet Sandra Kay. So many memories come flooding back to me about Bulah, the red dirt roads, all the kids and cousins wandering back and forth between the houses without a care in the world and the sheer joy of letting our imaginations run wild. I will be at your service to pay respects on behalf of my whole family.*
