“ *Mrs. Langston was such a sweet, dear person. I have known her for years. She would bring the staff wonderful deserts when Mr. Langston was here and even after he passed. The banana pudding had to be the best. I would make myself sick eating so much at a time. We loved her so.*

“ *Bootsie's Dear Family, No words can make your hearts stop hurting but your Mother, was Life at its Best. She never meet a stranger, she was always kind, she would get up and give you her chair and lay you a plate at her table. I always remember her laughing with my Mother Edna Beard they were life long friends and I spent many a nights there and sat on the bench behind her dining table and enjoyed many a meal there. A Loving Heart stopped beating but She lives on in her Children, Grandchildren, Family and Friends. I loved this Lady and the world was a better place with her in it. God Bless You'all.*
