“ *My sweet Aunt Thelma has always had my heart. She always made me feel so special. When I got saved at age 14, Aunt Thelma gave me a red leather Bible with my name engraved on the cover in gold. I treasured that Bible. Because of my new relationship with God and being such a special gift from a special person, I read the whole Bible. I don't think she ever knew what an influence she was to me. I love you and so happy you are in heaven waiting for us all.*
