“ *Mr. Jenkins has been a customer of mine for the past 14 years. During that time, we have shared many stories of travel, favorite restaurants & a love of animals. I hadn't gotten to see him in the past few years due to his health but he has stayed in my prayers. Rest easy my friend,*

“ *I remember meeting Tom after I graduated from the Academy-Class #39, in December, 1968. My first assignment was in The Special Operations Division. Tom was always ready to help the younger officers who were just starting their career in law enforcement. Tom always had a big smile & a positive & professional attitude in all his interactions, not only with fellow officers, but, with the citizens he encountered in the course of his duties.*

*It was an Honor to have served with HPD Officer, Tom Jenkins. May God Bless the Jenkins Family during these days.*

“ *I am so sorry to hear of Tom's passing. I first met him on December 28, 1962 when he and I became Houston Police Academy Classmates in Class #27. We became good friends, and often worked together at HPD, and were members of the HPD Camper Club together. I always admired Tom's classic smile, his great sense of humor, and the way he treated others. My wife Judith and I offer our sincere condolences to his family, and will keep them in our thoughts and prayers, so God can ease their burden of this loss. RIP, Tom. Roy A. and Judith A.
