

## Victor "Vic" Heackley

September 16, 1937 - June 12, 2023

Victor R. "Vic" Heackley was born in Denver, CO to Jerry and Vivienne Heackley on September 16, 1937. He lived the first 26 years of his life there, he loved sports and especially skiing the Colorado slopes. He was a great skier. At the age of 26 he moved to Las Vegas, NV to start a career in the casino business. He was fortunate enough to get a position as a dealer at the brand new Caesars Palace Casino. He delt to many celebrities and had some great stories to tell about his 22 years there. While living in Vegas he took up sail boating, won many sailboat races and was past president of the Yacht Club. He always loved cars, especially the Corvette. He owned several though his life, but his favorite was a 2005 Corvette which he raced and won a lot of trophies from either racing or placing it in car shows. It was certainly his pride and joy. In his later years, he took up golf and of course, he had the fastest golf cart around. He loved playing golf with his buddies every chance that he got.

His love for fast cars steered him towards a job with Exotic Cars in Las Vegas. His title was General Manager, but he really was the PR man. Vic had a way with people and made friends easily. He always had a quick and funny wit about him and was fun to be with. It was hard for him to have a serious conversation, he loved to joke around and make people laugh. Everyone loved Vic. He will be sorely missed by so many.

Vic is preceded in death by his parents, Jerry and Vivienne Heackley, and daughter: Erin Balew. He is survived by his wife: Phyllis Heackley; son: Mike

Heackley and his wife Lori; granddaughter: Hope and her husband Jordan; and great grandchild: Archer; stepdaughter: Stephanie Benton and husband: Paul; step grandchildren: Alex, D.J., Haley, and Morgan.

A special "Thank You" to Cherokee Trails Nursing Home for their wonderful care and support, as well as Heart of Texas Hospice for their care and compassion for Vic and his family.

Memorial services are pending at this time.

“ *So sad to hear of Vic's passing, he was one of a kind and the world is less bright because of his absence. He was a great story teller, and could always be counted on for a quick joke. When I started golfing he was a constant source of information and readily told me that I should take up bowling instead. To his family I extend my deepest sympathies.*
