“ *I met "Padgett" in boot camp in Orlando and we remained friends until he left us. From boot camp we both went through school together in Ft. Devens. He was a good man with a big heart and a sense of humor that kept everyone laughing and smiling. We talked in November before he passed. I had just had a major medical procedure done in Oct and told him I'd come visit when cleared. I wish I had the opportunity. He heart was always in the right place and full of energy. Fare winds and following seas shipmate.*
