“ *I have countless wonderful and funny memories of your dad. The first one that comes to mind is when Tracy and I were having an anniversary dinner at Pappasitos and Kelsey was misbehaving at 1 year old. Bill came to pick Kelsey up so we could enjoy our dinner. I'm sure we all will never forget the time we were fishing at Challenger park when Bill cast the fishing hook in Dylan's ear! I was pretty sure he wasn't going to be able to get it out, but in the end, Bill's caring effort prevailed.*

“ *Alyssa and Jake,
I am so sorry for the loss of your Dad. I fondly remember his humor and he and David sharing stories. I wish Patryck and I could be there with you at this difficult time. You and your families are in our thoughts and our hearts. Love from both of us, Aunt Lisa*

“ I met Bill in 1979, (and haven't seen him since 1980) but I have never forgotten him. He will forever be that smiling, laughing, and sometime sarcastic young man. I am so sad to hear of his passing. Back then, when I knew him, he was such a bright light. He was so funny and witty. So very special. He was a beautiful young man and he just made people around him feel so happy and full of fun and laughter. I know from FB he was so proud of his beautiful children and grandchildren.

I'm so sorry for y'all's loss. I, personally, will never forget him and will always hold a place in my heart for him. Peace and love to his family.
