“ *Glen was a true friend. He was always smiling, and if you were down and out, and sad, he would always turn it around and you would be laughing again. He is a one of a kind man. Years ago when him and his wife was raising their precious daughter and son, they were either at my family house or we were over at theirs. We raised our children together. God has bigger and better plans for Glen. He needed another special Angel. Glen you will truly be missed, and my heart goes out to your wife Holly, Mrs. Gloria, Debbie, Walter, Deidra, and Cristal, and Brian. May you rest in peace my friend. I am also lighting a candle for you.*

“ I am I going to miss Glen stretching out the city truck, with that constant grin and waving to me as we met in town. He was my friend for many years and my Dad's as well. My Dad has told me many many times, he wished he had 10 Glen Walkers working for him when he was with the city of Rusk Public Works Dept. He was many things to many people, but I will miss him as a friend. Rest my friend.
