“ *Aunt Mae is and always will live in our hearts. She took me in as one of her own. Aunt Mae fed, clothed and gave my new wife and I a place to live in Houston Texas until I was on my feet. Between Aunt Mae and Arlene Smith made us feel at home hundreds of miles away from our home town. I Love them both not just for that moment but many other times they both were selfless, generous, loving and caring. They are sorely missed by all who Loved them. Aunt Mae gave us all the courage to survive even when no one else cared. I Love You Aunt Mae, this isn't goodbye. I will see you again. It's time to reap the rewards in Heaven you've earned here on Earth.*
