“ Zona was my Grandmother and I have so many memories I will cherish for the rest of my life. She showed me what a true Christian woman is, how to forgive, and how to lead by example. She will be missed by me and my children tremendously. I am a better person because of her. I love you Grandma💔💔💔

Zona was my first cousin. My brother and I had gone to see her ever so often and then my brother passed and I could not go alone so I lost track of her. Now just looking it up today I see that she is at rest. She was a true Christian lady. I loved her dearly and it is my desire to see her again when the Lord comes. I will always remember her and loved her dearly..Laura Manzella
